

**SCHOOLCAT SOLUTIONS PVT. LTD.**

# Introducing SCHOOLCAT – A One-Stop Solution for Schools

- ▶ At **SCHOOLCAT**, we believe in empowering educational institutions by providing comprehensive solutions that enhance **learning, administration, and overall school management**. Our **end-to-end services** cater to the diverse needs of schools, helping them streamline daily operations, improve academic outcomes, and elevate institutional excellence.
- ▶ With a team of **experienced educators, administrators, IT experts, and business leaders**—some with over **20 years of experience** — SCHOOLCAT ensures that schools have access to the **best resources, technology, and support** to create an enriching environment for students and faculty alike.

# Why Choose SCHOOLCAT?

- ✓ One-stop solution for school needs
- ✓ Experienced professionals with 20+ years in the education industry
- ✓ End-to-end support for affiliation, training, and operations
- ✓ Customization available tailored to your school's specific requirements
- ✓ Seamless coordination between schools, vendors, and parents
- ✓ Timely delivery – Hassle-free procurement and distribution.
- ✓ Quality assurance – High standards for durability and usability.
- ✓ Cost-effective pricing – Competitive rates with bulk ordering options.

At **SCHOOLCAT**, we take care of the details so your institution can focus on **education and student growth**. Let's work together to make school operations smooth and efficient!

# Founder

A seasoned professional with over 20 years of experience across the Retail, Media, and Education industries, he has contributed significantly to key sectors through strategic leadership and impactful collaborations. His journey spans leading corporate houses, where he has played a crucial role in business growth, operational efficiency, and stakeholder engagement.

## **Professional Experience:**

**Retail Sector:** Worked with industry giants such as D-Mart, National Handloom, and OSIA, bringing expertise in operations and market expansion.

**Media Industry:** Associated with Sandesh, Sambhav Media, and VTV, contributing to media strategies and corporate communications.

**Education:** Currently serving as the COO of Education India, collaborating with 400+ schools across India to enhance institutional growth and learning solutions.

## **Core Strengths:**

- ✓ Strong liaison skills with top management and industry leaders
- ✓ A technocrat with in-depth knowledge of modern innovations and digital transformation
- ✓ A charismatic presence with a relationship-building approach that fosters long-term professional connections

# Cambridge English Proficiency Assessment Programme

- ❖ Evaluates **Listening, Speaking, Reading, and Writing (LSRW)** skills for well-rounded proficiency.
- ❖ Seamlessly integrates into the **existing curriculum** without the need for separate classes.
- ❖ Ensures **uniform learning** for all students, fostering a consistent language development approach.
- ❖ Students opting for certification can enrol for exams by paying **examination fee**.
- ❖ The certification is **globally recognized** and equivalent to **IELTS\***.
- ❖ Offers a structured progression **as per CEFR proficiency in six levels**, A1 to C2, enabling students to track their growth systematically.

# Bringing Space Down to Earth for India's Kids

## ✦ What We Offer:

We take students on a 20-30 minute immersive journey through the universe inside our portable, inflatable planetarium—right at your school.

Your budding astronomers will explore the solar system, galaxies, and beyond in a fun, interactive way.

## ✦ Why Choose Us?

- ✓ Hands-on learning experience
- ✓ Engaging & interactive sessions
- ✓ No extra effort from school—we bring the universe to you!
- ✓ Affordable pricing to make space education accessible to all

## ✦ What We Need from the School:

- 1 Uninterrupted electricity
- 2 An indoor space with a roof (not an open ground)
- 3 Excited students ready to explore the stars!
